AMENDMENT

Sir:

In response to the Office action of 8/13/02, please amend the above-identified application as follows:

In the Claims:

Please cancel claim 19 in the application and replace claim 1 as follows:

Sub. G1) 1. (Amended) A magnetic clip marker for use in engaging and marking a page of a book, the clip marker including in combination:

F1 a pair of wall members aligned and joined together at one end thereof to define a throat therebetween, with said pair of wall members comprised of a base portion and a clip portion overlapping said base portion; the wall members structurally arranged to receive a page of a book between said base and said clip portions;

magnetic members aligned with respect to one another and mounted to said base portion and said clip portion to permit contact therebetween; and

a cover member covering said magnetic members on said base portion and said clip portion to permit the page of the book to be readily received within said throat of the clip marker.
